

DVD/blu-ray Order Form

Orders due in by May 4th.

To assure an outstanding DVD of *Cinderella*, we have hired a professional production company that specializes in producing DVDs of musical productions.

Cinderella will be captured with two broadcast-quality cameras in pristine high-definition to create both a top-quality standard definition DVD as well as an HD version on blu-ray.

In addition to the edited performance, the DVD will also include: chaptered menus; rolling credits; and customized color packaging for the case... perfect for your DVD library.
