

Tuition Assistance and Scholarships

Wheaton Christian Grammar School believes in the importance of children receiving an exceptional, Christ-centered education. Therefore, we provide assistance to help families with a demonstrated financial need.

Tuition Assistance Grants

Tuition assistance grants are need-based financial aid that are administered and funded by WCGS. An independent organization, FACTS, processes applications for our applying families to assess their level of need. All personal and financial information is kept strictly confidential and secure. You will be charged a non-refundable \$35 fee per family by FACTS. The deadline for current school families is April 30, 2022.

FACTS calculates a number of factors in determining family need including income, expenses, assets, family size, and the number of children attending WCGS. Click here to access the [FACTS application](#).

How is aid awarded?

Once your FACTS application and all supporting documents are submitted, FACTS will process the application and provide WCGS with a report recommending an award amount. The Financial Aid Committee will take into consideration the FACTS recommendation and extenuating circumstances as provided by the family on the application.

Once the committee determines the award amount, WCGS will send families an email advising them of their financial aid for the 2022-2023 school year. For new students, financial aid award letters are distributed only after the student has completed the admissions process and been accepted to WCGS. Financial aid awards are good for one school year only. All families (returning and new) who would like to be considered for financial aid must complete a financial aid application each school year.

Children's Tuition Fund Scholarships

Children's Tuition Fund may be a possible source of funding for your family. If you qualify, please select the box on the FACTS application granting the Children's Tuition Fund access to your financial information so they can determine the maximum amount of aid your family is eligible for through the Children's Tuition Fund. You must also complete the [Children's Tuition Fund application](#) if your family qualifies.
