

All WCGS students are invited to *Spur a Senior On!*

Our WCGS neighbor, *Covenant Living at Windsor Park*, a senior retirement center and nursing home, is asking WCGS students to shower their residents with emails of encouragement, happiness, and hope during this season of being “sheltered in.”

Students are invited to create drawings or works of art, write notes, poems, Bible verses, letters of encouragement, and messages of joy to a senior. Scan the creation or take a picture of it and email it to:

WindsorLettersWithLove@covliving.org

Please DO...

1. Students are welcome to sign their name to their creation; however, there is no need to include any other personal information.
2. Send the message through Mom and Dad's email.

All emails will be forwarded to seniors at every level of care at Windsor! Thank you for being the love, hope, and joy of Jesus to those feeling cut off from the rest of the world.
